

2013/14 SCHOOL DIRECTORY INFORMATION

NEW! This year, enter and update your family's contact information for the school directory *at the same time and in the same account* where you order hot lunches.

For returning parents who have a MunchaLunch account:

1. Login to your account by going to: www.munchlogin.com
2. Look for the *My Directory Info* link under *My Family*.
3. Follow the prompts to provide your family's directory entry info.

For parents who do NOT yet have a MunchaLunch account:

1. Go to the Directory page on the Dorothy Lynas PAC website:
<http://dorothylynas.com/spirit-events/dorothy-lynas-directory/>
2. Click the "Register Here" button to create a new family account.
3. In your account, look for the *My Directory Info* link under *My Family*.
4. Follow the prompts to provide your family's directory entry info.

*** Please keep in mind that that the directory is *used within the school community only* for planning birthday parties, playdates and all sorts of other social activities. If you don't want your family's contact information to be included, please consider just adding your child's first and last name and division so the class lists are as accurate as possible.

*** *If you have any contact info changes within the year you can update your information by just logging into your MunchaLunch account. The directory will be re-released at least twice during the school year, after each hot lunch ordering period.*
