Thank you so much for sponsoring the Public Schools in your community! Please make cheques out to Seycove PAC.

An opportunity awaits...

For 36 years the Seycove Auction has been a successful community event raising funds for the Seycove family of schools (Seycove Secondary, Cove Cliff Elementary, Sherwood Park Elementary and Ecole Dorothy Lynas).

This much-loved North Shore event brings together the community with the common goal of enhancing educational opportunities for our children.

Each year, this event relies on the hard work of volunteers and the generosity of our sponsors and donors. There are many ways to participate in this event and one of the most important is to become an event sponsor. The program offers a great opportunity for a progressive business to raise its profile in the Seycove community and to help benefit the schools.

Everybody wins with event sponsorship – companies benefit from increased exposure at the schools and in the community. Depending on the level of sponsorship, you may also be able to display your corporate banner at the event.

Funds raised from the Seycove Auction benefit the schools by funding:

- | scholarships;
- | music and drama programs;
- | computer hardware and software;
- | sport and athletic programs;
- | library books; and
- | home reading program materials.

Most importantly, the children benefit from an enriched learning environment. Sponsorship is a great way to support the future leaders in our community.

Every level of sponsorship is welcome – there are opportunities for individuals, small businesses and larger corporate donors.

Each sponsorship level offers a unique set of benefits for you and your business. We can custom design a benefit package to meet your needs.
